FMS ISD Dual Credit Policies, Procedures, & Resources

Updated: November 9, 2023

<u>Disclaimer</u>
This handbook serves as a resource guide for parents and their students interested in taking dual credit course work. *Any information included in this handbook is subject to change due to new mandates by TCC or EMS ISD.

Contact Information

The College & Career Readiness Specialists (CCRS) are the campus coordinators for dual credit. The CCRS works with high school counselors and TCC to ensure correct enrollment in both courses at TCC and EMS ISD. The campus CCRS is an advocate for students. Please let your campus CCRS know of any concerns during the enrollment process, or through the duration of course work. The CCRS can provide communication to TCC to work to resolve any areas of concern. The CCRS does not have access to TCC information or TCC systems. Please allow adequate time for communication to occur between the CCRS and the TCC representatives. Fo campus counseling and CCRS contact information, please visit the campus website.

Calendar

Dual credit classes follow the TCC calendar. Semesters usually start and finish at different times than the semesters at EMS ISD.

When do I need to be on campus?

When dual credit classes begin, students will need to report to their dual credit class at the designated time and location. If your class is not scheduled to meet that day, you will not be in that class. (*Example:* If you have a 1st or 8th period dual credit class, you will have late arrival or early release on the days your class is not scheduled to meet.) The classroom where your class meets will be locked on days when class is not in session and you will need to be off campus.

Exception: HCTC CTE Dual Credit Courses Students in these courses follow the EMS ISD calendar. Students will attend class Monday through Friday during their scheduled class period.

What do I do if I ride the bus to school, or have transportation problems and <u>will have to be on campus</u> when my dual credit class is not meeting?

There is not a designated place on campus for you to meet when your dual credit class is not in session. To participate in the course, you will need to be off campus when your class is not in session. You will need to find alternate transportation for days your class does not meet.

What do I do in inclement weather?

In the case of bad weather, students need to monitor and follow EMS ISD delay and closures.

Transportation Policy

EMS ISD does <u>NOT</u> provide transportation for students enrolled in dual credit classes. Students taking dual credit courses at HCTC will be able to utilize district transportation as the classes coincide with the regular school schedule. Student d

Grade Equivalencies & Weight
Dual Credit Classes at EMS ISD
The exact numeric course grade the district receives from TCC is used to determine the grade posted on the high school transcript. Dual credit courses are weighted courses. Five points will be added to the final numeric grade when official TCC transcript to the school for dual credit courses taken on a EMS ISD campus. Students must score a 70 or higher in their dual credit course to receive high school credit. *Please note that a letter grade will appear on a student's official TCC transcript. Students must obtain a "C" (score a numeric grade of at least a 70) in the course in order for the course to be transferrable to other colleges and receive high school credit.

Special Services - Student Accessibility Resources

Students are eligible to apply for services through the TCC Student Accessibility Resources office. In order for students to receive any accommodations or assistance, they must work with this office at TCC.

Student Accessibility Resources Office- TCC NW Campus

WCTS Building, Rm 1133A

Phone: 817-515-7733 Email: nw.sar@tccd.edu

TCC Email

Can be accessed through . **Please check your email regularly.** This is the only form of communication between students and TCC.

To access your TCC Email:

1.	Login to	o Hello!TCC	account and	click My	TCC email.
1.	LOZIII K	o mono. i cc	account and	CIICK IVI	, I CC cilian.

Words of Wisdom

Take your class work seriously but have fun learning! You are in a dual credit course, which means you are going to be learning in a new way. You are getting a head start to a college degree, enjoy!

Communicate with your instructor. Approach your professors with questions. Let them help you learn. Building a rapport with this individual shows them your work ethic and that you ae17s3n leat9.04 583.3 Tm0ETQ40.00
